

Call for Papers

OMO International Journal of Sciences Volume 5 issues I and 2:2022

The editorial board of OMO International Journal of Sciences (OMO Int. J. Sci. /ISSN Print: 2520 – 4882; ISSN online: 2709-4596) would like to invite researchers, experts, academia, and entrepreneurs to submit manuscripts of original research, review articles, technical notes and short communications for publication in the journal. OMO Int. J. Sci. publishes high-quality research papers in all areas of natural and computational sciences, agriculture, food science, and veterinary medicine, as well as medical and health sciences.

Authors are requested to submit their full length papers electronically in acceptable formats (doc, docx) to Editor-in-chief: ojs2016@gmail.com. Authors will be notified of paper acceptance within 3-4 weeks. The notification email will include comments from the reviewers. Paper submission guidelines, instructions for authors and more information on the journal and the publishing process are available at our website: <https://survey.amu.edu.et/ojs/index.php/OMOIJS>. We shall be glad to receive your contributions at your earliest convenience.
